MISSOURI APPELLATE COURT OPINION SUMMARY

**MISSOURI COURT OF APPEALS
WESTERN DISTRICT**

BRENT L. UHRMACHER,

RESPONDENT,

v.

LISA-ANNE UHRMACHER,

APPELLANT.

No. WD71849

Platte County

Before Division One: Thomas H. Newton, P.J., James M. Smart, Jr., and Joseph M. Ellis, JJ.

Brent L. Uhrmacher filed a petition for dissolution of his marriage to Lisa-Anne Uhrmacher. The court dissolved the marriage, divided the marital property, established a parenting plan, and ordered Husband to pay child support. The court found that the correct amount of monthly child support Husband should pay is \$1,541. However, the court, apparently inadvertently, ordered Husband to pay only \$1,468 per month.

Wife appeals the trial court's division of marital property. Both parties seek correction of the child support order.

AFFIRMED IN PART; REVERSED AND REMANDED IN PART.

Division One holds: The trial court erred in ordering Husband to pay \$1,468 per month in child support. On remand, the court is to correct the amount of child support to \$1,541 per month, retroactively. The judgment is reversed and remanded for correction as to the amount of child support. The judgment is affirmed in all other respects.

Wife's claims as to the division of property, all of which are denied, are addressed in an unpublished memorandum pursuant to Rule 84.16(b).
